**Message from the President**

I want to take this opportunity to thank our employees on a couple of topics.

The heading in the Erie Times News read, Nurses, club workers save duckpin bowler's life. I'd like to recognize the club workers for their efforts that helped save Jim Sitter's life. Melanie Stewart, the bartender on duty called 911 and immediately started CPR. Jim McCloskey ran and brought the defibrillator downstairs while someone called out "is there a doctor in the house". Two nurses responded. The collective result is that Mr. Sitter is with us today. We are very proud of the fact that the Erie Maennerchor was well equipped to handle this situation and wish Mr. Sitter a speedy recovery.

At our Polish Heritage Celebration we paid tribute to Mr. Jim Thompson. The Thompson family received proclamations from the City of Erie, Erie City Council and the City of Lublin, Poland. Mercyhurst College formally announced the renaming of their Sister City Scholarship to the Jim Thompson Sister City Scholarship at our event which was covered by the local TV stations. Kudos to everyone involved especially the Social Committee, Steve, Sue, Dale and all the employees for making this a special evening.

There is a real positive sentiment stirring in the community when they hear the Erie Maennerchor name. It is a true testament to our members and employees. Remember, Member Appreciation Day is March 13th from 2pm to 6pm. Members may bring their spouse and enjoy a wide array of specials and activities as we continue to celebrate our 140th year.

An Erie Tradition for 140 Years . . . The Erie Maennerchor!

*Bill Dietz*

Erie Maennerchor Club President
