## essage from the President

Greetings to all Erie Maennerchor members and their families. It sure is great to finally have some nice weather. It seemed as if winter was never going to end.

We have a calendar full of fun events these next few months. The Social Committee has been busy planning our summer picnic and annual golf tournament. Our General Manager, Michael Farsace, has planned a couple of theme nights - Steak, Fajita, Crab-n-Clam and Pasta to name a few.

The Membership Committee has enacted a very aggressive membership drive. They are planning one or more classes before the end of the year. New members are the future of our Club and make us stronger.

The latest addition to our Club are the baby changing tables located on the first floor in the Women's and Men's restrooms, and in the Ballroom in the Women's restroom. Many thanks to the EMC Auxiliary who helped with the purchase.

I would like to thank Paul Considine for all his efforts to make your Club a better place. Paul had to leave the Board due to other commitments. His expertise will surely be missed. Also, it gives me great pleasure to welcome Tom Schaaf to the Board of Directors. Tom will serve the remaining six months of Paul's term. Tom has been active on the Duck Pin and Interclub Boards for many years and will bring a fresh perspective to the Board.

I would like to thank everyone for their support so far this year. A lot of work has gone into making our Club a better place. Things have improved, but we are just getting started, and better things are on the way. The entire Board of Directors and Staff are working extremely hard to make our goals become a reality. Please thank them for their efforts.

See you at our Club soon. Remember, THE BEST IS YET TO COME!!
